

basis function

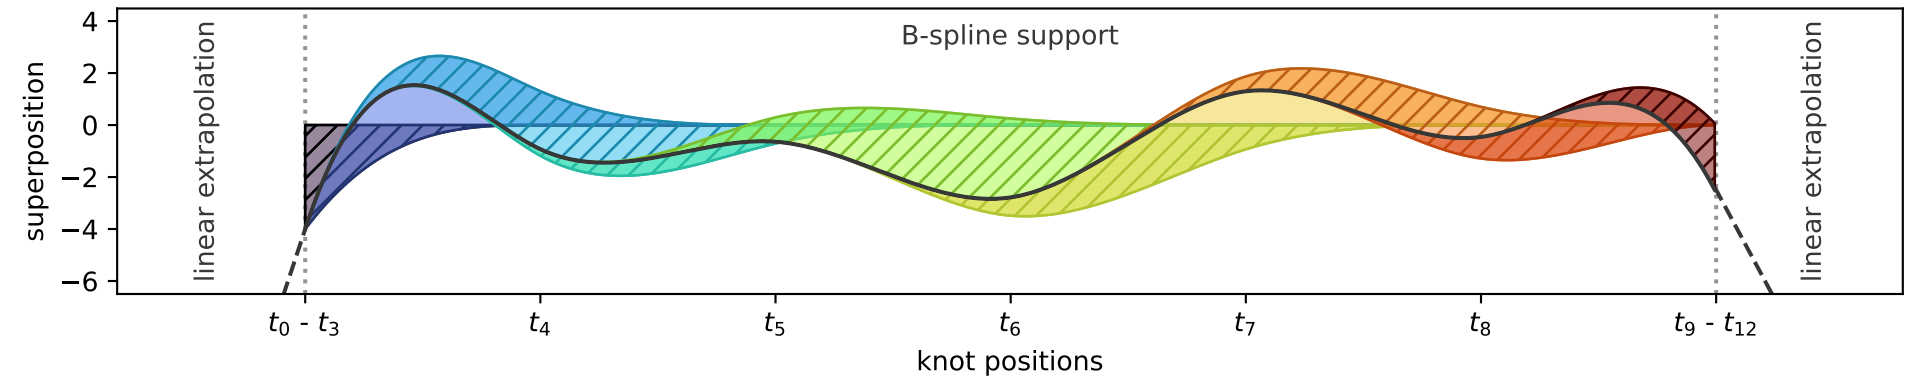

A1: B-spline basis functions (least smooth)

mean abs. second order diff: 107.9

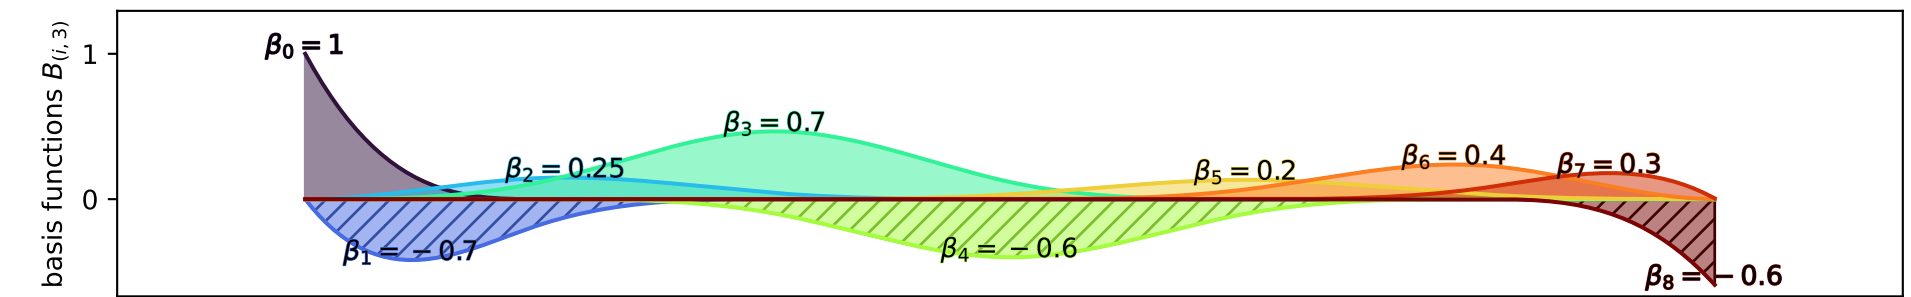

A2: Superposition of basis functions

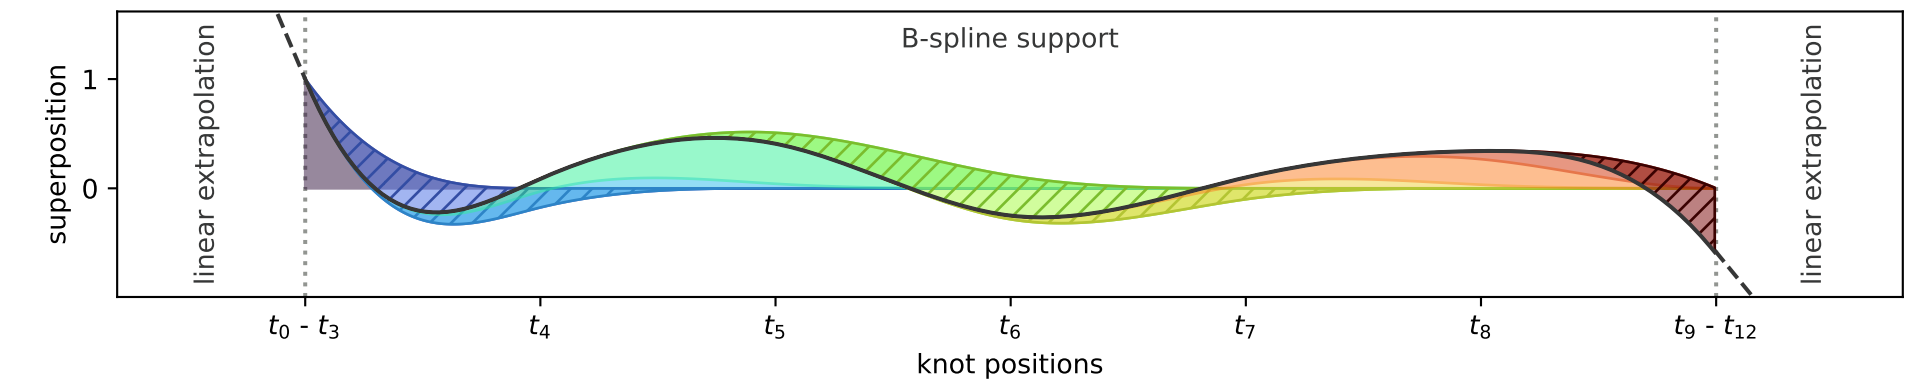

B1: B-spline basis functions (moderately smooth)

mean abs. second order diff: 8.7

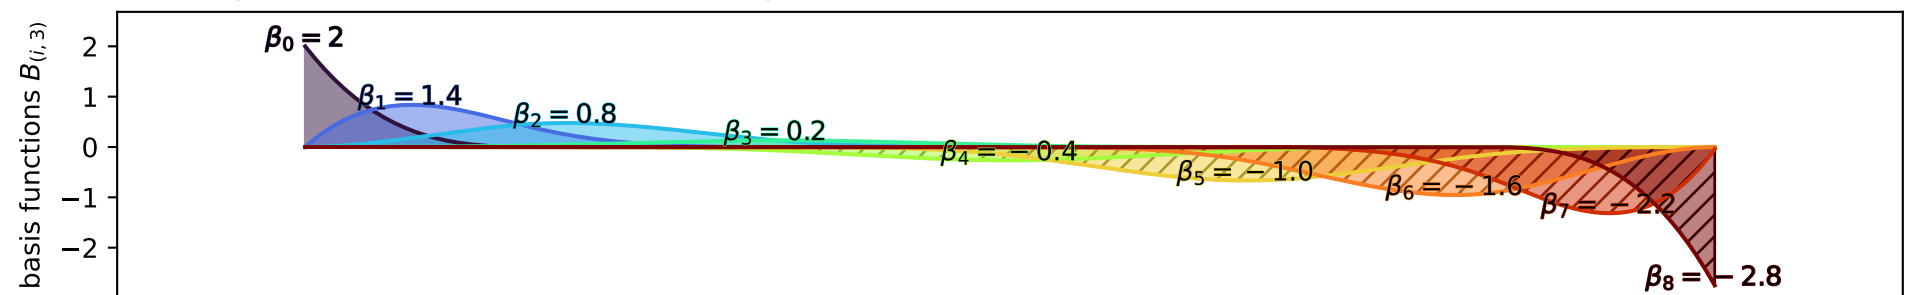

B2: Superposition of basis functions

C1: B-spline basis functions (smoothest possible)

mean abs. second order diff: 0.0

C2: Superposition of basis functions
